This Town Report is respectfully dedicated to

Honorable Irene Pratt

Irene moved to Winchester with her husband Philip in the early 1950s. Here they raised their four children and became active and valued members of our community.

Irene is a graduate of Conant High School in Jaffrey, the University of New Hampshire, and Massachusetts General Hospital School of Nursing. She served on the board of directors of Home Health Care and Community Services and the Community Advisory Council. Here in Winchester, she served on the Glenroy Scott Fund Committee. After a long career as a public health nurse, she retired in 1988.

Elected to the New Hampshire State Legislature in 1988, Irene enjoyed overwhelming public support and recorded landslide victories at each election until she retired in 2004. Irene's legislative priorities included, but were not limited to, healthcare availability for individuals, public health issues, preventing child abuse/neglect, and education—particularly for those with special needs. She also served on the Children and Family Law Committee.

Irene's personal interests include gardening and wildlife sanctuary development. Her forested property is a Certified Tree Farm.

The Town of Winchester commends Irene for her decades of commitment to public interests and public service. Thank you, Irene, for giving so generously of yourself in order to help so many others.

TOWN MEETING WARRANT
SB2
TOWN OF WINCHESTER
STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Winchester, in the county of Cheshire in said state, qualified to vote in town affairs:

You are hereby notified to meet in the Town Hall in said Winchester on Saturday the fifth day of February next 2005 at nine of the clock in the forenoon to discuss, debate and amend warrant articles #1 through #25 and to receive the reports of the selectmen, town treasurer, and other town officers including the agents and committees and act thereon. Final vote will be by official ballot on Tuesday March 8, 2005.

ARTICLE 1. To choose all necessary town officers for the ensuing year.

ARTICLE 2. Are you in favor of the adoption of amendment #1 to the zoning ordinance as proposed by the Winchester Planning Board as follows?

Amend Article XXI, Definitions, by adding the following new definitions: Accessory Apartment, Apartment, Conversion Apartment, Place of Assembly, Active Adult Communities, Independent Living Communities, Assisted-Living Residences, Nursing Homes, and CCRCs (Continuing Care Retirement Communities).

Recommended by the Planning Board

ARTICLE 3. Are you in favor of the adoption of amendment #2 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

Amend Section B (Institutional Uses) of the Table of Use Regulations by adding Assisted Living Residences and Continuing Care Retirement Communities under Number 6.

Recommended by the Planning Board

ARTICLE 4. Are you in favor of the adoption of amendment #3 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

Amend the provisions for multi-family dwellings by reducing the minimum lot size from 40,000 square feet to that of the underlying district and by reducing the minimum lot area per dwelling unit from 10,000 to 5,000 square feet per bedroom in areas served by municipal sewer and water; by reducing the minimum lot area per dwelling unit from 20,000 to 10,000 square feet per bedroom in areas not served by municipal sewer and water; by replacing the allowance of conversion Apartments with Accessory Apartments under Article III, K; and by amending the Table of Use Regulations to allow Accessory Apartments by right in all zoning districts except the Commercial and Wetlands Districts.

Recommended by the Planning Board

ARTICLE 5. Are you in favor of the adoption of amendment #4 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

Amend the agricultural district regulations (Article IV) by increasing the minimum lot size from one (1) to three (3) acres, the minimum lot depth from 100 to 200 feet, the front setback from 30 to 50 feet, and the side and rear setbacks from 10 to 25 feet.

Recommended by the Planning Board

ARTICLE 6. Are you in favor of the adoption of amendment #5 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

Amend Article XVI by clarifying that all special Exceptions and Variances granted by the Zoning Board of Adjustment shall be valid for a period of one (1) year only and may thereafter be renewed only after a rehearing and approval by the Board, unless the permittee has actually engaged in the use for which the application was made within one (1) year from the date of approval.

Recommended by the Planning Board

ARTICLE 7. Are you in favor of the adoption of amendment #6 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

Amend Article VIII of the Commercial District by adding the following new Subsection D2 to read as follows: "The Selectmen, after soliciting comments from the Planning Board, may grant approval for a residence to be established in the same building as a business (e.g., upstairs or in the back of the building).

Recommended by the Planning Board

ARTICLE 8. Are you in favor of the adoption of amendment #7 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

Limit new manufactured homes in Winchester to existing parks or to Planned Residential Developments in the Agricultural District.

Recommended by the Planning Board

ARTICLE 9. Are you in favor of the adoption of amendment #8 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

Amend Section 3.b under Prohibited Uses of the Aquifer Protection District Ordinance by increasing the allowed percentage of impervious surfaces from 15% to 30% of a parcel; and to require a Special Exception from the ZBA for anything over 30%.

Recommended by the Planning Board

ARTICLE 10. Are you in favor of the adoption of amendment #9 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

Amend Article III, Subsection P (Senior Housing) of the Winchester Zoning Ordinance by allowing one or more units per building subject to the lot size and density requirements of multi-family housing.

Recommended by the Planning Board

ARTICLE 11. Shall the town of Winchester raise and appropriate as an operating budget not including appropriations by special warrant articles, and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,961,461.00. Should this article be defeated, the operating budget shall be \$2,901,157.00 which is the same as last year, with certain adjustments required by previous action of the town of Winchester or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13,X and XVI, to take up the issue of a revised operating budget only.

NOTE: WARRANT ARTICLE #-- (OPERATING BUDGET) DOES NOT INCLUDE APPROPRIATIONS IN ANY OTHER WARRANT ARTICLE.

ARTICLE 12. For wartime veterans tax credit:

Shall we adopt the provisions of RSA 72:28,II, for an optional veterans tax credit of \$500.00 on residential property and replace the standard tax credit in its entirety?

Inserted by petition

ARTICLE 13. For surviving spouses of those persons killed on active duty:

Shall we adopt the provisions of RSA 72:29-a, II for an optional tax credit of \$2,000.00 on the real and personal property of the surviving spouse of any person who was killed or died while on active duty in the Armed Forces of the United States or any of the Armed Forces of any of the governments associated with the United States in the wars, conflicts, or armed conflicts, or combat zones set forth in RSA 72:28?

Inserted by petition

ARTICLE 14. For the permanently and totally disabled veterans:
Shall we adopt the provision of RSA 72:35, I-a, for an optional veterans tax credit of \$2,000.00, for service-connected total disability on residential property and replace the standard tax credit in its entirety?

Inserted by petition

ARTICLE 15. Shall we adopt an exemption for the disabled?

The exemption based on assessed value for qualified tax payers shall be \$10,000. To qualify the person must have been a NH resident for at least 5 years and own and occupy the real estate individually or jointly or if the real estate is owned by a spouse they must have been married for at least 5 years. In addition the taxpayer must have a net income of not more than \$20,000.00 or if married a combined net income of not more than \$25,000.00 and

own net assets not in excess of \$60,000.00 excluding the value of the person's residence.

Inserted by petition

ARTICLE 16. To see if the town will vote to authorize the selectmen to enter into a five year lease purchase agreement in the amount of \$100,000.00, to be paid in five annual interest and principal payments of \$23,008.16 for the purpose of purchasing a 2006 Freightliner Dump Truck, Plow and Sander package. The 1988 International Truck, Plow and Sander will be used as a trade in to decrease the cost of the new truck. At the end of the five year lease agreement, no additional payment will be required and the Town will own the truck

ARTICLE 17. "Shall we adopt the provisions of RSA31:95-c to restrict 100% of revenues from payments for police outside activities to expenditures for the purpose of paying Police special details and associated operation and administrative purposes? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Police Outside Activities Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue."

Explanation: "Outside details" refers to those occasions when our police department essentially "rents" its officers to other police departments/agencies or private organizations for such things as traffic control and security, among others. Currently, the fees received for these services go into the general fund, but the payroll

expenses for the officers come out of the police department's operating budget. Since it is impossible to foresee the extent of these outside details, it is very difficult to budget for them. By establishing this fund, the revenues generated by outside details would go into this fund and the payroll expenses incurred with outside details would be drawn from it. Any excess funds that might accrue in the fund would be restricted to use by the police department and subject to appropriation by future warrant article(s). This would allow the town manager, selectmen, police chief and budget committee to more accurately budget in upcoming years. Should this article pass, an appropriation for such expenses within the police operating budget would be eliminated for future years.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 18. "Shall we adopt the provisions of RSA 31:95-c to restrict 40% revenues from payments for the ambulance service to expenditures for the purpose of paying billing from outside services? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Ambulance Billing Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for specific purpose related to the purpose of the fund or source of the revenue."

Explanation: Currently, fees for contracted services for the ambulance department (for instance supplemental ambulance services) are billed by the town to individuals who received the services. Revenues received for these services go into the general fund, but the invoices to the town from the outside contractors are paid out of the ambulance department's operating budget. Since it is impossible to foresee the extent of these contracted services, it is very difficult to budget for them. By establishing this fund, 40% of the revenues generated by

ambulance services would go into this fund and the invoices from contractors would be paid out of it. We estimate that approximately forty percent (40%) of revenues generated would be sufficient to pay the invoices received. Sixty percent (60%) of the revenues generated would go into the general fund. Any excess funds that might accrue in the fund would be restricted to use by the ambulance department and subject to appropriation by future warrant article(s). This would allow the town manager, selectmen, fire chief and budget committee to budget more accurately in upcoming years. Should this article pass, an appropriation for such expenses within the ambulance operating budget would be eliminated for future years.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 19. "Shall the Town raise and appropriate an amount not to exceed \$17,500.00 to be deposited in the Evergreen Expendable General Care Trust Fund established by an affirmative vote by the 1998 Town Meeting on article 11; the source of said funds to be withdrawn from the surplus generated by the perpetual care funds already established for the care and maintenance of lots within the Evergreen Cemetery, and not from taxation."

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 20. Shall the Town raise and appropriate \$25,000.00 to purchase a new, fully-equipped police cruiser and authorize the disposal of the 1998 Ford Crown Victoria police Cruiser?

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 21. Shall the town vote to establish a capital reserve account under the provisions of RSA 35:1 for the purpose of new fire apparatus and to raise and appropriate the sum of fifty thousand dollars (\$50,000.00) to be placed in this fund.

Explanation: The fire department intends to apply for a 2005 Assistance to Firefighters federal grant for the purchase of a new pumper-tanker (at an estimated value of \$500,000.00) to improve pumping capabilities and to provide better service to areas that lie outside the town's hydrant system. The grant cannot be received (if awarded) unless 10% matching funds have been raised and appropriated by the voters. There are no assurances that the Assistance to Firefighters Grant Program will continue beyond 2005. If a 2005 grant should not be awarded, the account will be added to in subsequent years until enough money has been raised and appropriated to buy a new truck, either with or without the assistance of a grant.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 22. Shall the town raise and appropriate the sum of \$5,000.00 to support the annual Winchester Pickle Festival?

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000.00) for the purpose of recreation in the Town of Winchester to be paid to the E.L.M Memorial Community Center on the contractual basis.

Inserted by petition
Recommended by the Board of Selectmen \$40,000.00
Recommended by the Budget Committee

ARTICLE 24. To see if the Town will vote to raise and appropriate \$5,000.00 (five thousand dollars) for the support of the Winchester Learning Center, provided that the Winchester Learning Center raises an equal or greater amount from other sources.

Inserted by petition
Recommended by the Board of Selectmen
Recommended by the Budget Committee

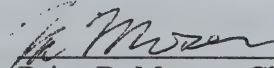

ARTICLE 25. Shall the town, in accordance with RSA 154:1 approve the organization of the fire department to have a fire chief appointed by the selectmen, or town manager if any, and the firemen appointed by the selectmen, or town manager if any, upon recommendation of the fire chief.

Explanation: This is how the fire department is currently organized. An affirmative vote will bring us into conformity with state law.

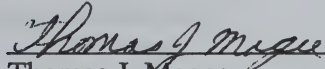

Recommended by the Board of Selectmen

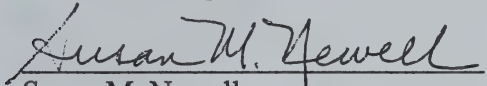

We, the Undersigned Selectmen of the Town of Winchester hereby certify on the 19th Day of January 2005, an Attested Copy of the Original Warrant was posted at the place of meeting within specified, at the Post Office in Winchester and the Post Office in Ashuelot, New Hampshire being Public Places in said Town.

TOWN MANAGER'S REPORT

After one month in the town manager's seat in Winchester, I have learned that I need to be readily available to residents and taxpayers. Government must be responsive to citizens' concerns and/or complaints—even if the answers can't always be the ones sought. While I might not always be immediately available, I promise to respond to every inquiry in a reasonable amount of time. This is the first of several commitments I wish to make.

I intend to assure open, timely, pertinent and unbiased sharing of information with the board of selectmen in order to produce effective government. As town manager, I will research and evaluate options to make sure that selectmen can make informed decisions.

Quality job performance is a necessary element of effective government. Department heads will be held accountable for their budgets, and for their own levels of performance as well as the productivity of the people they supervise. My door is open to all employees who want assistance, support and encouragement in order to improve the functioning of their departments and to those who wish to improve themselves professionally.

Tighter budgets are a fact of life in these times. Taxpayers are straining under the burden of property taxes. But government is still obligated to do its best to improve services and infrastructure, and in whatever ways it can, the quality of life for all citizens. For this reason, I intend to actively pursue grant money available through the state and federal governments, or any other agencies that may have funds available.

We are currently reassessing the role of an economic development committee. The committee has struggled to try to accomplish its stated mission with volunteers, limited experience and limited funding. I will be bringing the function of promoting economic development under the umbrella of the town manager's office and will become personally involved in seeking appropriate business investments and development in Winchester. I would like to see any future Community Development Block Grants applied to purposes that would benefit the majority of the citizens of the town.

On a daily basis, this office will watch the balance between the bottom line and expenses necessary to operate the town government. Departments will be asked and expected to deliver savings to the taxpayers on a regular basis through increased productivity and efficiency. All will be encouraged to look at routine procedures and tasks from different perspectives and to develop improved practices and methods.

I have learned quickly that Winchester is rich in intellect, talent and generosity. Many of you can enrich not only your own lives, but those of your neighbors—by volunteering your time, expertise and/or effort. With rising costs everywhere, people who give back to the community will be both appreciated and recognized. If you would like to volunteer, please let us know what skills or services you would like to offer and we will do our best to see that they are put to good use.

Lastly, as your town manager, I would like to encourage you to participate not only by volunteering, not only by being an informed voter, but also by bringing us your ideas for saving money or improving services, or just by inquiring about current activities of *your* government.

Thank you for your warm welcome to Winchester.

SELECTMEN'S REPORT

Fiscal year 2003-2004 brought with it the arrival of a town manager, Tony Simon. Mr. Simon resigned within nine months and a petitioned warrant article called for a repeal of the town manager form of government. Chairman Bill Kelly chose not to run for reelection and his open seat was won by Sue Newell. Selectman Gus Ruth was reelected for a three-year term.

The warrant article to repeal the town manager form of government failed, yet selectmen were left without a person in that position. Determined to take whatever time was necessary to find and hire a town manager who would have both the skills and temperament to become a good long-term partner with the Town of Winchester and its people, selectmen chose to appoint former police chief Jim Harrison as acting town manager for the interim period.

Jim came on board and dived in to numerous issues that had been left either unattended or unresolved. He worked closely with selectmen on a daily basis as issues were investigated and resolved. It was discovered that several departments had been allowed to overspend their budgets already—with more than three months still remaining in the fiscal year.

Through the establishment of new policies with regard to bidding, purchasing, personal use of town equipment by employees, overtime, etc., and some personnel adjustments, the group quickly pulled the budget back into line. Savings achieved during the final months of the year allowed the selectmen to close the year with an *operating budget surplus of \$262,956* (9.4% of the approved budget). Applications for and receipts of grants brought equipment and improvements to the town at little taxpayer expense.

Following the revaluation of the town, the selectmen received a staggering number of abatement requests (approximately 340). All were first reviewed by Nyberg, Purvis & Associates, the town's contracted assessors, and then further reviewed by the selectmen, who met an average of three to four times a week to accomplish the task (as well as do other business) before the summer tax bills were issued. In addition, errors in approximately 30 current use assessments were also discovered and corrected. Bob Gray, property records clerk, was hired on April 1 and was an invaluable asset. He quickly took control of the property records office, prioritized tasks, organized records retention systems, corrected erroneous records, familiarized himself with relevant laws, rules and regulations and prepared documentation for the selectmen to make decisions.

In the interests of transparency of local government and distribution of information, an eight-page newsletter, *The Communicator*, was published in May. The newsletter is devoted exclusively to affairs of town government and is mailed to every postal patron in Winchester and Ashuelot. A second issue was mailed at

the end of December.

During the current fiscal year, which began on July 1, 2004, the management team focused on the search for a town manager, accountability of department heads, adherence to the current budget and preparation of the proposed budget for fiscal year 2005-2006. Many hours were spent scrutinizing every line of the budget to assure justification for expenditures and to look for alternate, less costly ways to deliver appropriate services. The proposed budget includes many adjustments made to assign expenditures to appropriate line items for better monitoring throughout the year. Town employees were instrumental in helping to seek out less costly providers of goods and services. Selectmen are pleased to report that their proposed operating budget of \$2,899,041 is less than the default budget of \$2,901,157.

Following a deliberate and studied search for a town manager, John Stetser was hired and joined us on December 1. We look forward to having a close working relationship with John as he takes over the reins of local government, implementing and adhering to policies established by the selectmen, and in some cases by the voters. Jim was kind enough to stay on many months longer than was originally anticipated, and to stay long enough to help acquaint John with the town, ongoing projects and established policies and procedures. We would like to take this opportunity to thank Jim for his service to the town and to welcome John as a new and integral member of the town management team.

About taxes... please remember that by law summer billings are calculated at 50% of the total of the prior year's taxes (barring changes in individual assessments). Your local taxes went down in the second billing this year because of several factors: (1) a school budget reduced significantly by the voters at the deliberative session last year, (2) a default town budget, (3) a large surplus returned by the school district, and (4) a large surplus returned by the town. The town is required by law to keep a minimum percentage of its budget in a special fund from year to year. Selectmen determine how much to set aside for possible property tax abatements and other emergencies. The balance of any surplus is then returned to reduce taxation. Next summer, barring changes in your assessment, your bill should be 50% of the total of this year's summer and winter billings. Next winter, the bill will be either higher or lower than that, depending on what budgets are approved for the school and town, any changes in the tax base, and any surpluses that may be returned. Please also keep in mind that the local government has no control over the rates set for the state school tax or the county tax, and that these two rates also factor in to your overall tax rate.

We would like to thank the townspeople for their support, interest and participation in their local government. We encourage everyone to attend board and committee meetings and hearings—both to inform themselves and to make their voices heard. This is your town, and we are honored to be entrusted with the responsibilities of our offices.

GENERAL INFORMATION

INVENTORY OF TAXABLE PROPERTY:

This year (2004/2005) the inventory form will not be mailed out to the property owners of Winchester. Generally, as a cost savings, the inventory forms will be sent out every five years instead of yearly. The selectmen have scheduled the next inventory for the 2005/2006 period. Whenever an inventory form is mailed out, New Hampshire law states that this form must be completed, signed, and returned to the Selectmen's Office on or before April 15th of the year of the mailing. If an inventory form is not filed on time, the property owner loses the right to appeal his or her assessment with the town and with the Board of Tax and Land Appeals or Superior Court. Forms are mailed in late March whenever an inventory is taken, so if you do not receive one contact the assessor's office in early April and one will be sent to you. If the inventory form is returned after the due date a penalty will be assessed on the second issue tax billing. The inventory form due date is April 15th.

VETERAN'S TAX CREDIT:

To be eligible an applicant must meet state residency and military service requirements. If a person receiving this credit changes his or her domicile, or a veteran's spouse becomes a widow or widower during the year, a new permanent application must be filed with this office. The town also offers a tax credit for service connected total and permanent disability. This is the only disability credit/exemption that the town offers and all applications must be validated. The due date for this application is March 1st.

ELDERLY EXEMPTION:

This exemption has three categories: age 65-74, age 75-79, and 80 years of age and older. Besides meeting age requirements there are annual income and asset restrictions for those applying for this exemption. The due date for this application is March 1st.

BLIND EXEMPTION:

Applicants who are declared legally blind are eligible for this exemption. The due date for this application is March 1st.

OPEN SPACE/CURRENT USE:

Applicants must meet minimum lot size and other classification requirements in order to receive the current use credit on their land. Once land is put into current use there is a penalty tax applied for removing the land from this classification. The current use application deadline is April 15th.

INTENT TO CUT TIMBER:

Prior to each cutting operation every owner must file an intent to cut form with the Selectmen's Office. No cutting shall begin until local and state approval is given. Permits received from the state are to be posted at the site.

INTENT TO EXCAVATE:

Every owner who intends to excavate earth shall file a Notice of Intent to Excavate with the assessing officials where such excavating is to take place. This notice must be filed prior to commencing each excavating operation and at the beginning of each tax year (April 1) for continuing operations. There is a fee of \$100 for each intent filed, made payable to: State of New Hampshire.

BUILDING PERMIT:

Any person, firm, corporation, municipality, public agency, or institution desiring to operate, maintain, offer for rent, lease, or tenancy any site, lot, field, tract of ground for location of any building, trailer or manufactured housing, or similar conveyance, place, or abode for shelter, or any other form of development-as defined in the Town of Winchester Zoning Ordinance-shall obtain a written operating [BUILDING] permit from the Board of Selectmen.

A fee to be set annually by the Board of Selectmen and payable to the Town of Winchester is required with the issuance of each permit. When permits are not used within one year from the date of issuance an application for renewal of permit must be made, and, if granted, will entail the payment of a new fee. Where applicable, it would be necessary to have received and to show proof of having received an "Approval of Construction", granted by the NH Department of Environmental Services, Water Supply and Pollution Control Division for the construction of any septic tank system-or, where applicable-a Certificate of Sewer Availability from the Board of Selectmen-before a building permit or permit to park manufactured housing shall be issued.

No building construction may begin before the permit is issued. The building permit application fee is based on the square footage of the structure. New residential construction is based on \$.12 per square foot; renovations are \$.12 per sq. ft., and commercial construction is \$.15 to \$.20 per sq.ft. The minimum fee is \$20.00. Electrical, mechanical, and plumbing permits have a flat fee of \$35.00 each.

Demolition permits are also \$15.00 to \$35.00 each.

MANUFACTURED HOUSING:

Whenever a person moves manufactured housing into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases existing manufactured housing with the intent of residing in the same at the existing location, he shall within fifteen days of the placement of the manufactured housing, or within fifteen days of the purchase of the same, register with the assessors of the city or the selectmen of the town where he or she intends to reside. Anyone who fails to comply with the provisions of this section shall be guilty of a violation. (RSA 72:7-B)

Further, it shall be unlawful for any person to move manufactured housing into, out of, or within the Town of Winchester without first obtaining a permit from the Board of Selectmen. The hauler of such manufactured housing shall have the permit in his possession at the time of the move.

The granting of such permit shall entail a fee, which shall be set by the Board of Selectmen, not to exceed \$100.00. This does not apply to manufactured housing that passes through the town in transit, both from and to another town.

Supplemental information is required, proving that taxes are paid up to date in whichever town it is being moved from, if used, or that the home is brand new from the factory, if new.

REMINDERS FOR TRUSTEES

1. INVESTMENT POLICY - RSA 31:32 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.

2. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information.

Attributable expenses may be charged against the trust funds involved, however, please be advised the fees can be taken from income only and not from principal.

3. WEB SITE - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. <http://www.state.nh.us/nhdoj/CHARITABLE/char.html>

4. FAIR VALUE - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.

5. CAPITAL RESERVE FUND - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).

6. WHEN and WHERE TO FILE - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds, for the school, the school business administrator will also need a copy fo

Neil Mackay

Signed by the Trustees of Trust Funds

on this date 16 July 2004

REMINDERS FOR TRUSTEES

1. INVESTMENT POLICY - RSA 31:32 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.

2. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information.

Attributable expenses may be charged against the trust funds involved, however, please be advised the fees can be taken from income only and not from principal.

3. WEB SITE - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. <http://www.state.nh.us/nhdoj/CHARITABLE/char.html>

4. FAIR VALUE - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.

5. CAPITAL RESERVE FUND - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).

6. WHEN and WHERE TO FILE - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

Town of Winchester
Police Department
2004 Annual Report

It is with enthusiasm that I present to you the 2004 Annual Report of the Police Department. We at the Department could not be prouder of the support you as a community have bestowed upon us during this most difficult year. You have provided us with a feeling of excitement and optimism in a field that desperately needs both.

The policing of a free, diverse, and vibrant society is an awesome and complex task. We at the Winchester Police Department along with the support of our Town officials and you, the citizens of the Town of Winchester continue to meet the demands and needs of our community in as effective manner as possible.

I have noticed an interesting trend during this past year. Our calls for service have increased. A call for service is any type of request where an officer must physically go and do something. Our actual reports of crimes appear to have decreased, with the exception of drug related arrests. We at the Department are striving to develop into a service oriented, rather than an enforcement oriented style of policing, it would appear that we are succeeding.

We have created a Detective Prosecutor and Training Officer position which have contributed greatly in upgrading the quality of training, criminal investigations and court prosecution.

We have instituted a very effective incident review process, property control, and report filing system that should serve to upgrade our entire work product.

We are installing a 911 telephone in front of the Emergency Services building to facilitate walk in emergencies during non business hours. We now have the ability to receive voice messages.

This past year the Department received several donations from local area businesses and organizations. The Department has received new firearms and at no cost to the taxpayer thanks to the generous donations from Kulicks Market, Bob's Fuel, Crestwoods Inc., Innovative Machine, Inc., Winchester Roll Products, Winchester VFW Post 3968 and the Winchester American Legion Auxiliary. The Department received several thousand dollars worth of office furnishings from both the Cheshire Medical Center and Winchester Department of Schools.

There are several positive physical changes to the police station due to the volunteer efforts of police officers and citizens alike. I sincerely thank all of you.

We have applied for federal grants to assist in enhancing our current radio equipment and for additional police patrols to make our community safer.

I have worked very long and hard to re-write and significantly upgrade our rules and regulations, job descriptions and general operating procedures. Our community will have a police manual it can take pride in.

In closing, I would publicly like to state how extremely proud I am of the members of this agency for the support they have given me, and the impressive quality and volume of work that was preformed by them. We all look forward to serving you, the citizens of this fine community, and will strive very hard to make you proud of your police department.

**Town of Winchester
Winchester Ambulance Department
2004 Annual Report**

The Winchester Ambulance Department is staffed by volunteer EMTs and First Responders, who give many hours of their personal time to make sure the ambulance is staffed 24 hours a day, 7 days a week, 365 days a year.

In June of 2004, we received a new ambulance and retired the 1987 model. The new ambulance is much larger in the patient compartment in the rear, giving the medical personnel more room to work in, providing the best and most effective medical care to the citizens of Winchester. Part of the cost of this ambulance was offset by a generous memorial donation by the members of Mary LaBerge's family after she passed away and a warrant article passed by the town voters paid for the balance.

During 2004 the ambulance responded to just under 400 calls. The number of calls for service has remained constant for the last few years. Because Winchester is fortunate enough to have several EMTs who have taken advanced training and are at the EMT-Intermediate level, many of the calls that would have normally needed additional assistance from paramedics were handled with Winchester personnel only. This prevented the town from having to pay additional monies to an outside source to provide paramedics since Winchester EMT-I techs were able to start the necessary ALS treatments that the patient needed (including initiating IVs and the administration of lifesaving medications and first-line cardiac drugs). This saved considerable time and money for the town, but more importantly, the patients.

Also during 2004, a National Registry First Responder course was taught at the Winchester Fire Department and several of those students passed their tests and are now running as attendants on the Winchester Ambulance. Some of these same First Responders are also now in the process of pursuing EMT training to continue their education so they can provide a higher level of service to the residents of Winchester. We'd like to congratulate Elisha Klianski, Kristin Jette, Ken Smith, Tina Connor and Bridie Pearce on receiving their National Registry First Responder License and welcome them as members of the department.

Some of the ongoing training undertaken by members of the Winchester Ambulance Department this year included Advanced Spinal Immobilization, MEGA-CODE training, CPR recertification, Emergency Vehicle Operations Course (E.V.O.C.) training and some of our EMT-I attendants participated in Intermediate ALS medications refresher classes.

During the annual Pickle Festival on September 29th, a table was set up in front of the ambulance building. Blood pressure checks and blood sugar (glucose) checks were performed free of charge to anyone who asked. The new ambulance was in the Pickle Festival Parade. Mr. Pickle even stopped by to see the new ambulance and presented the ambulance department with an engraved plaque commemorating the memorial donation

of monies towards the purchase. The new ambulance was also in the Halloween parade in October, and department members handed out candy to trick-or-treaters. Both events were well attended by the public. Pictures of both events are posted on the department website.

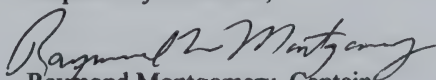

Sadly, several deaths during the last quarter of 2004 (including prominent local physician Dr. Thomas O'Connor) resulted in approximately \$900.00 in memorial donations to the Winchester Ambulance Memorial Fund. Those monies are used for purchasing additional equipment for the ambulance, training and other related items. Thank you cards were sent to the families of those who made such generous donations on behalf of their loved ones.

Due to our continuing relationship with Certified Ambulance Group (CAG) who does the billing for our ambulance services, we were able to return approximately \$79,000. to the Town of Winchester in monies reimbursed by insurance, Medicare, etc. Even though this money goes back into the town general fund and not the ambulance budget, it helps to offset our annual budget, which for 2004 was approximately \$69,000. On the surface it would appear that we were over budget on some of our line-items for 2004, however we felt that the additional monies brought in-to the town would help with that situation.

After the acquisition of our new ambulance, one of the things we are proudest of that happened in 2004 is our new website. The Winchester Ambulance Department has gone high-tech and even has its own domain name. <http://www.winchesterems.org> is the URL for the website that was created by and is maintained by one of our very own members, Bridie Pearce. When Bridie joined the department earlier in the year, she quickly found out how old and outdated the computer for the ambulance office was. She immediately went to work to remedy that situation, building a new computer and donating it to the ambulance department. It is a much faster, higher capacity computer than the old one and is even equipped with XP for an operating system—allowing us to issue individual log-in and passwords to each user, helping guarantee privacy for both ambulance department members and patients alike. Bridie also purchased (and donated) the domain name “www.winchesterems.org” for the department and then went to work creating and building a website we could be proud of. When you have a moment, please take a look at the website and let us know what you think. There are areas that are guest-accessible, and many of them include photos of the town, the ambulance and some of the activities (training, holiday events, etc.) we participated in during 2004.

All in all, it was a very positive year of growth for the Winchester Ambulance Department and we look forward to continuing to provide professional emergency medical care to the residents of the Town of Winchester. Thank you all very much for your continued support.

Respectfully submitted,

Raymond Montgomery, Captain

WINCHESTER FIRE DEPARTMENT

2004 proved to be a busy year for the Fire Department.

Auto Accidents 45	Rescue Calls 72	Electrical 6
Camp Fires 1	False Alarms 1	Mutual Aid 13
Structure Fires 8	Chimney Fires 7	Smoke Inv. 5
Grass & Brush 4	Fire Alarms 35	Furnace 4
LP Gas Leak 1	Other 34	Total 236

We currently have 35 active members. Training is ongoing throughout the year. Several of our Firefighters are now First Responders and assist with calls on the Ambulance Department.

We have received several new pieces of equipment this year with the help of grants, private donations and donations from our town businesses and organizations. Some of the equipment includes a John Deere HPX 4X4 Trail Gator, A 300 gallon water/12 gallon foam skid tank for one of our forest fire trucks, Hurst extrication tools, a Thermal Imaging Camera and Turn Out Gear. This totals \$58,841.00 which the town paid \$3,066.00. We will continue to seek additional grants in the coming year.

We would like to recognize and thank Edward Dingman Sr. for his 20+ years of service to the Department.

Our appreciation and thanks go out to all of our townspeople and local businesses for their support.

We are looking forward to a healthy & happy 2005.

We will continue to do our best to serve you.

Fire Chief

WINCHESTER HIGHWAY DEPARTMENT ANNUAL REPORT

The winter months brought us less than normal accumulations of snow; a total of 84 inches was measured at the highway garage compared to 147 inches the previous year. The number of freezing rain storms also declined from 16 during the winter of 2002-2003 to only 7 last winter. It's very unusual for this part of New England to only have 3 storms per season that measure over 7 inches of snow, but we're not complaining.

The town instituted a new policy for the way we distribute free winter sand for our residents. Sand is now available at the transfer station where proper identification and amounts can be controlled. The past system at the highway garage had no monitoring and pick up trucks were being filled with sand whose final destinations were unknown. A little inconvenience for some but a huge savings for all. The first year we estimate savings of approximately 750 to 800 yards of sand.

Summer maintenance projects included but were not limited to grading all dirt roads and replacing materials as needed, cleaning catch basins, sweeping, ditching, extensive roadside mowing, adding calcium chloride to our dirt roads, painting crosswalks and parking spaces, opening and maintaining the town beach, replenishing stockpiles of winter sand and crushed gravel, flushing culverts, prep work for paving projects, projects associated with the transfer station, and assisting the water department. This year we were also able to do extensive tree trimming on some of our roads.

Paving projects included the following list:

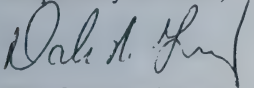

640	Feet	Piney Woods Road
830	Feet	Goamko Drive
1,650	Feet	Elm Street
450	Feet	Elm Court
1,870	Feet	Melvin Bridge Road
1,700	Feet	Coombs Bridge Road
2,160	Feet	Mine Road

A portion of South Parrish Road was also paved with an anticipated completion date next year.

200 feet of Bolton Road / South Parrish Road intersection was tied into major drainage improvements in that area.

If anyone has legitimate concerns regarding our roadways or drainage issues, please feel free to contact me at 239-4811. Thank you for your continued support.

Dale Gray, Road Agent

Winchester Solid Waste Management District Report

The district is nearing completion of a 3-year contract with Waste Management to run the facility and is presently drafting a request for proposals to operate the transfer station. These requests should be mailed early in the coming fiscal year. The partnership between Waste Management and the district for the past seven years has been one of strong communication with very minimal problems. Preliminary indications have shown that the next contract should be very competitive.

The amount of construction and demolition debris handled at the transfer station rose 11% this year, while municipal solid waste (household trash) had a 7% increase. The following is a list of materials and amounts handled at the transfer station during this past year:

Municipal Solid Waste (Trash)	1,075.97 Tons
Construction/Demolition Debris	488.42 Tons
Metals	71.75 Tons
Mixed Paper	112.47 Tons
Cardboard	53.92 Tons
Co-Mingled (Tin, aluminum cans, glass, #1 plastics)	159.81 Tons
Waste Oil	820.00 Gallons
Compost	Approx. 220.00 Yards
Tires	Approx. 400.00 Tires
Used Clothing (Salvation Army)	Approx. 1.50 Tons

We also accept untreated or unpainted wood, brush, and slash less than five inches in diameter in our burn pit area.

This past year we had very little erosion problems on the closed landfill and we fertilized and seeded a small portion of the eastern slope. Surface water, ground water, and methane gas testing have all continued to yield good results showing steady improvements in the capped landfill. With added equipment, the town now does all of the mowing at the site as opposed to contracting the work to an outside source.

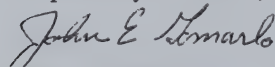

The landfill stickers that allow property owners or residents to enter the facility must be renewed on October 1st of every year and must be attached to your vehicle and be plainly visible. For households that have more than one vehicle, additional stickers are available for \$1.00 each after the initial \$10.00 sticker is purchased.

Remember... Recycling is mandatory per the Winchester Town Ordinance!

**Town of Winchester
Annual Report
Planning Board**

The Winchester Planning Board has been involved in the numerous changes that have occurred in Town this past year. Many potential developers, whether for business or residential building, have come before the Board for information on our Zoning Ordinances, Subdivision regulations, Site Plan regulations and the rules of Earth Excavations. There is great potential for big changes in the next few years and the Board and the Town needs to be prepared for this. The members have been continuing their education through Law Lectures and other classes offered to us. The Southwestern Regional Planning Commission has been a big help in assisting us to be updated on the new Laws as well as giving advice on interpretation of the many rules and regulations that we work with every day. The CIP program has been put on hold for now. The Laws have changed so much that it would cost the Town in excess of \$10,000 for consultation fees to have the proper formula to charge impact fees. The State became aware that many small towns cannot afford a CIP program at this time and Towns were missing out on collecting fees from developers for impacts that the developments were creating in their Towns. We may now assess "exaction fees". These are reasonable fees the Board may require of developers for direct impacts to water, sewer, drainage and highway. This Board has already begun this process.

General overview of the numbers of projects we have addressed this year are:

Subdivisions-	Approved 4, 1 withdrawn
Site Plan-	Approved 7, 1 withdrawn, 1 denied
Boundary Line Adjustments-	Approved 2
Lot Mergers-	Approved 6, 1 denied
Earth Excavations-	Approved 5, 3 still to be reviewed

The Board has updated the applications and checklists to create a clearer, easier process. The Board will be proposing a few changes to the Zoning Ordinances in March of 2005. These are to clarify some areas of the Ordinances that posed confusion but also with the idea to promote Commercial development and encourage open space. We hope for your support of these important changes.

Respectfully,

Margaret Sharra
Chair, Winchester Planning Board

WINCHESTER CONSERVATION COMMISSION
FLORA · FAUNA · AIR · SOIL · WATER · RECREATION

1 Richmond Rd. - Town Hall - Winchester, New Hampshire 03470

2004 ANNUAL REPORT

The Winchester Conservation Commission continues to work to insure the proper use and protection of Winchester's natural resources. The Commission reviews applications for dredge and fill permits and applications for wetlands permits. Copies of applications for excavation permits are presented to WCC for comment and recommendations.

The WCC works with the town forester to monitor compliance with timber harvesting and wetlands laws and regulations. When appropriate, cases are forward to the selectmen, NH Department of Environmental Services and/or the NH Division of Forest and Lands for further action. Each year the WCC has tests done on water from Forest Lake to insure that the water quality meets state requirements.

The WCC manages nine parcels of land. Seven of the parcels are designated as town forests, and two parcels are lands with conservation stipulations. All nine parcels can be used for recreation purposes, such as hiking, picnicking, snowmobiling, and fishing. Location of these properties can be found on the tax maps:

- Map 9, Lot 53, Lot 59.
- Map 5, Lot 77, Lot 106, Lot 143
- Map 6, Lot 10-1, Lot 10-2, Lot 11, Lot 19

Activities this year have included:

- Finalization of donations of properties on Forest Lake which will allow year-round foot traffic access and access from the lake by canoe, kayak and boat;
- Development of a plan and grant application for a recreation area on the Ashuelot River which will provide walking paths, an area for fishing, and a launching site with public access for canoes and kayaks. There will also be a pavilion where people can picnic.
- Creating and teaching a course called "Get Lost" for middle school students in the new ACCESS before and after-school program.
- Rejuvenation of a project begun in 1989 creating a nature trail on Route 10 in an area called Gardner Mountain Wildlife Sanctuary. We have begun developing the parking area, and reestablishing the walking trails. We plan to create a trail guide and trail maps, and identify trees, plants, and habitats with signs.

- Development of an educational study plan for donated land (Wulff Property) to be used by teachers in the middle school. The property is being developed into an educational site with signs and markers, a trail map and guide.
- Partnered with Antioch NE Graduate School. An intern completed a study of the importance of designating prime wetlands. The report is on file at the WCC office. The WCC recognizes that the areas around the Winchester drinking water supply wells are of extreme importance and that these areas should be targeted for prime wetlands designation.
- Worked with the Forest Lake Association to hire a company to manage the milfoil on Forest Lake. The WCC paid 25% of the cost.
- Provided a full scholarship to a student to attend Barry Conservation Camp.
- Provided financial support to the Winchester Youth Beautification Club.

WCC is a member of the NH Association of Conservation Commissions, the Monadnock Conservancy, and New Hampshire Timberland Owner's Association. Cynthia Ryder and Gus Ruth serve as Winchester's representatives to the Natural Resources Advisory Committee of the Southwest Regional Planning Board.

Members of the Commission regularly attend workshops and conferences concerned with conservation and other aspects of WCC duties.

The WCC welcomes any volunteers who would be interested in working with us in any capacity.

The Commission meets the third Thursday every month at 7pm in the Town Hall.

This year started with an oil leak. Clean up was paid for by an established oil fund, but curing the leak required the replacement of two oil tanks.

A planned project for removing asbestos from the basement area was also completed. This was accomplished by the Environmental Compliance Specialist Inc. from Atkinson, NH.

We had a very active summer reading program. Preschool kids through age 5 were ably entertained by volunteers, Michelle and Lindsey Hebert throughout the summer with activities and stories. Staff person, Peg Cushing read to 6 and 7 year olds each week and also provided crafts. The summer ended for these young readers with a "Teddy Bear Picnic".

Older children enjoyed a magic workshop with "Mr. Phil", of Mr. Phil and Company from Tilton, NH. This was funded by a "Kids, Books & Arts Grant". They also learned about lobsters from a "Seatrek" marine program, funded by University of New Hampshire. The summer ended with a magic show performed by professional magician, B. J. Hickman of Dover, NH.

Conant Library also for the first time contributed toward purchasing of literacy kits for all kindergarteners and each child was also offered a free book.

We have started to work in the upper floor of the library to catalog all objects into a computer database. To accomplish this, we purchased a wireless computer for the museum area and also professional museum software called Past Perfect. A bookcase of mid-nineteenth century juvenile books have been entered by volunteers. To generate community interest in history, we presented two speakers. Warren Rasmussen spoke on the "Captivity and Restoration of Mary Rowlandson of Lancaster, MA" who was abducted by indians in 1675 and held hostage in our region before being ransomed. Michael Caduto, author and musician, spoke on the early indians of New Hampshire in a presentation called "A Time Before New Hampshire.

This is the end of a good year, but the start of another.

ANNUAL REPORT
2003- 2004

The board of trustees, board of incorporators and executive director are grateful to the citizens of Winchester for their financial, physical and moral support. We are also excited about the past year and positive developments at the Center. Most of all, we appreciate your interest and patience as we experiment with new ways of doing things and make changes at the Center. We are truly in a transitional period.

As most people know, the E.L.M. Memorial Community Center is a private, non-profit organization whose mission is to provide "cultural, social and recreational enrichment opportunities for all ages...through prudent financial management and partnerships with our community." Historically, the voters have approved funding each year for the Center to provide recreation activities. The appropriation is confirmed by a written contract for specific services.

It is the goal of the E.L.M.M.C.C. to provide the highest quality service at the most reasonable price, as stated in our Mission Statement. To that end, the board of trustees and director have begun to use a zero base budget process, deciding what programs and services are needed and wanted, and what the price tag will be for those services. Then we determine what we can reasonably accomplish and set our priorities. As we managed our town funding last year, we were able to return \$10,000 to the taxpayers.

Your town appropriation made the following possible:

Baseball (T-Ball, PeeWee and Little League). One-hundred and twenty-seven children participated in a full season of baseball. We were able to purchase new uniforms and equipment (helmets, goals and the like). We developed an inventory system and provided safe storage space which will maintain our supplies in good shape. Many thanks to the Kiwanis for their continuing support of the PeeWee League. Each group of players enjoyed an awards event with their families.

Soccer. Ninety-three youth participated in the soccer program, up 18 children from the previous year. We added goals and other needed equipment and instituted the same inventory and storage system that will guard the taxpayer's investment and show that we aim to be good stewards of your tax dollars.

Thanks to your appropriation and our sound management, we were able to add two new programs beginning early in the summer: "Summer Hoops" and a volleyball program. Twenty-eight young women, ages 16 – 35, enjoyed a full volleyball season. Thirty-six adults and young adults joined our summer basketball program and played faithfully throughout the season. The age range was 15 to 43, with the majority of the participants in the 16 to 24 age range.

Sports Shed. A local company sold us materials at discount to erect a sports storage shed mid-way on the playing fields. This will also help us maintain our supplies and equipment in an efficient and safe manner.

Playground equipment. We purchased and installed a sturdy climbing dome and a strong swing set, which children have been enjoying on a daily basis.

February Fun Week. In February, we ran an organized series of activities for children, including arts & crafts, outdoor play, science fun, cooking, board games and two field trips. We took our youth to a movie in Keene and to the wonderful Montshire Museum in Norwich, VT. We were extraordinarily proud of our kids on our outings and told them they made Winchester proud!

Summer Camp. Because of safety issues, campers were bussed to Hornet's Nest. The children who participated enjoyed a good camping experience. Subsequently, we decided to bring camp back to the Center. Specifics will be in the 2004 -2005 report. However, we are pleased with our association with the Winchester Learning Center, with whom we contracted to provide a safe, high quality, creative summer camp for Winchester's children. We each learned from the experience.

Improvements at the Center. The board of incorporators has committed some \$159,000 for needed repairs and improvements at the Center. The Community Hall has received the following renovations: sill repair, rewiring throughout, chimney repair, roofing, ceiling tile replacement in the hallway and kitchen, all new windows and vinyl siding. In addition, the incorporators have committed funds for supplies to paint the interior of the large hall, with volunteer labor. The main office in the Community House will also be remodeled. We were proud to erect a new, large sign on the edge of Route 10. When we raise more funds, we will add lighting to the sign.

We have just won a Venture Grant from the Monadnock United Way to help develop a modest, new Teen Center, where young adults can come to relax, socialize and do homework in a safe, supervised setting.

We were host to the Age in Motion senior exercise program, a monthly foot clinic, the W.I.C. program, Winchester Woman's Club, Red Hatters Club, Garden Club, Historical Society, Ashuelot Valley Blazers' Snowmobile Club, Brownies, Cub Scouts, Girl Scouts, Winchester Sportsman Inc, senior luncheons, and the Early College Awareness Program. Our bowling alley continues to be busy and we hope to add a youth league.

The bowling alley, our Flea Market and hall rentals are sources of modest income. However, this year, we decided to both broaden and deepen our funding sources for operating income (that is, to pay the many bills not associated with the town appropriation – electricity, heating fuel, insurance, maintenance, wages). We held our first benefit auction which netted \$3,000.

Plans for the near future include the Teen Center, a grant to refurbish the bowling alley, an adult exercise class and a walking group for senior citizens.

We are pleased to work with other agencies and groups in Winchester to make all of our programs more effective for the town's citizens. Many thanks to all of the individuals, too numerous to name, especially our growing group of "Friends of the E.L.M.M.," who help make our programs a reality. Everyone is welcome to visit and learn more about our improvements and our vision for the future.

The Zoning Board of Appeals

Annual Report for 2004

The Zoning Board of Appeals is a quasi-judicial body that hears appeals of administrative decisions involving zoning ordinances, as well as applications for variances and special exceptions that are necessary in order to apply the town's zoning ordinances fairly in individual cases. The ZBA decides the hard cases as it seeks to interpret the purpose and intent of the zoning ordinances in the public interest, while protecting individual property owners from unfairness and hardship in its application.

The group, appointed by the Board of Selectmen, meets at the Winchester Town Hall at 7:00 p.m. on the first Thursday of every month, unless there is no business to transact.

During the past year a great deal of time was spent over the course of several months regarding the application of Warwick Meadows Senior Housing for a second unit of senior housing on Warwick Road. Their application was impacted by the town's enactment of the Aquifer Protection Ordinance.

After considerable discussion their first application for a special exception and variance was DENIED by the board. Warwick Meadows then requested a re-hearing of their proposal with additional information regarding water and sewer hook-up for the facility. The re-hearing resulted in an APPROVAL of the special exception. The application for a variance was withdrawn.

The board acted on a request of Richard Pratt for a special exception for commercial establishment in a portion of his home located on Richmond Road. This application was DENIED by the board.

The board acted on an appeal of administrative decision submitted by Ferrari, Carr and Taylor regarding a slot-car racing facility in Ashuelot. The board UPHELD the decision of the Planning Board to allow the project with provisions.

The board acted on an application for a special exception presented by W.J. Crant Construction Co for a cement processing plant on Rt. 10. The board GRANTED this special exception.

From time to time various citizens consulted with the board regarding pending projects in the town of Winchester.

The present members of your board are:

- Robert Tatro, chairman
- Allen Humes, Vice-Chairman
- John Hann
- Harvey Siernan
- Kenneth Cole.

Board of Selectmen
Town of Winchester
1 Richmond Road
Winchester, NH 03470

Dear Selectmen:

Enclosed please find the HCS - Home Healthcare, Hospice and Community Services Annual Report to Winchester. The report includes statistical and financial information about the services provided to residents this year. We hope that you will consider including this information in the Town Report as a way to make residents aware of these services. If you would like this information in a different format, please let me know.

As indicated in the budget worksheet submitted on September 16, we are requesting an appropriation of \$31,000.00 for home care services in Winchester, and \$7,471.00 for the Meals-On-Wheels program for residents. The appropriation covers home care as well as community services and other health promotion programs. This year, in addition to the "Nurse Is In" clinics that were held at several locations in town, we sponsored Age In Motion exercise programs for older adults and educational programs as part of our health promotion efforts.

Please do not hesitate to contact me at 352-2253 if you have any questions regarding this request. Thank you for your consideration.

Sincerely,

Susan Ashworth
Director of Community Relations

HCS - HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF WINCHESTER
JANUARY 1, 2004 TO DECEMBER 31, 2004

ANNUAL REPORT

In 2004, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Winchester. The following information represents HCS's activities in your community over the past twelve months.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	2,077 Visits
Physical Therapy	373 Visits
Speech Therapy	3 Visits
Occupational Therapy	107 Visits
Medical Social Worker	73 Visits
Outreach	64 Visits
Homemaker Hours	2,048 Hours
Adult In-Home Care	5,022 Hours
Home Health Aide	980 Visits
Home & Community Based Services*	2,690 Hours
Meals-On-Wheels	14,196 Meals
Health Promotion Clinics	84 Clinics

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 269

Regularly scheduled prenatal and well child care, hospice care and "Nurse Is In" clinics are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2004 with all funding sources is \$718,722.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2005, we request a total appropriation of \$31,000.00 to continue home care at the current level and \$7,471.00 for the Meals-On-Wheels program.

Thank you for your consideration.

Dear Town of Winchester,

Thank you Friends, for your vote to raise and appropriate \$5,000 to support the Winchester Learning Center in our community. As you know, the WLC is a non-profit organization formed to care for children ages 2-6 and their families. It provides encouragement, support and educational opportunities for families, even when the rigors of parenting in this complex world become overwhelming. The Center is open year round from 6:30 am until 5:30 pm Monday through Friday. The Winchester Learning Center's Preschool program provides the foundations for early learning and its unique play based curriculum is designed specifically to meet the needs of the children. Healthy, wholesome meals are served daily providing nourishment and family style dining.

The Winchester Learning Center provided care for 47 children and their families, allowed 42 parents to work or train for employment and employed 18 members of the community. It offered parents the opportunity to leave their children in a safe, nurturing and healthy environment.

The original commitment made by The Winchester Learning Center was to provide affordable child care. The full tuition per day which is set below cost, is \$26.51 per day for 3-6 year olds and \$27.51 for two year olds. A sliding fee is available for families who are not eligible to receive child care reimbursement through the Department of Health and Human Services. No one is refused care because of their inability to pay. It is clear that the combination of parent paid tuitions, NH Child Care Reimbursement Funds, USDA, Monadnock United Way and Cheshire County Incentive Funds do not cover the full cost of services. The Winchester Learning Center Board of Directors raises funds continuously to keep the program financially sound. In order to sustain this critical program however, the Winchester Learning Center relies on the support of the Town of Winchester in the amount of \$5,000. The Town support also serves as leverage for eligibility for other state, county and foundation grants. At a modest cost to the community, the WLC supports a licensed, sustainable, center based, community operated, model organization which can grow and adapt to meet our needs.

Although young children and families are the primary beneficiaries, everyone in Town benefits from the availability of this important resource. Local businesses benefit from the availability of high quality child care; the Town becomes a more desirable area because resources to families are increased, and tax payers avoid future costs of family intervention and special education. Thank you for you helping us grow healthy, happy children.

Respectfully Submitted,
Penny R Vaine

Private Well Users!

Have you had your well tested recently?

Drinking water from private wells in New Hampshire sometimes contains contaminants at levels that can pose health risks. Only a water quality test, by a competent laboratory, can assure that your family is protected.

What types of contaminants might be present in your well?

The following contaminants, some naturally-occurring and others man-made, have been found in private well water in New Hampshire:

- Arsenic
- Bacteria
- Fluoride
- Nitrate
- Radium
- Radon
- Sodium
- Uranium
- Volatile Organic Chemicals (VOCs)

Where can you learn more about this?

TOWN OF WINCHESTER
STATE OF NEW HAMPSHIRE

DELIBERATIVE SESSION MINUTES:

Meeting was called to order at 9:20 a.m. on Saturday, February 7, 2004. Approximately 65 people were in attendance to discuss and make changes to the following articles. The meeting adjourned at 2:17 p.m. to be continued Tuesday March 9, 2004. The polls opened at 8:00 a.m. and closed at 7:00 p.m. 951 registered voters cast their ballots with the following results:

ARTICLE 1. To choose all necessary town officers for the ensuing year.

ARTICLE 2. Are you in favor of the adoption of amendment #1 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

To amend the Winchester zoning ordinance by adding a new article (Article XVI-1 – impact fees) that would allow the town to assess impact fees to developers for off-site improvements during the subdivision and site plan approval process?

Recommended by the Planning Board

Yes: 480

No: 204

ARTICLE 3. Are you in favor of the adoption of amendment #2 to the zoning ordinance as proposed by the Winchester Planning Board as follows:

To amend the Winchester zoning ordinance by adding a new (Article XII-1 aquifer protection overlay district) establishing an aquifer protection overlay district, the purpose of which is to protect the town's groundwater supply by restricting certain uses that may contaminate the groundwater?

Recommended by the Planning Board

Yes: 640

No: 228

ARTICLE 4. Are you in favor of repealing all building codes in the town of Winchester, including the BOCA code and the international BOCA code, and relying solely on the laws and regulations of the State of New Hampshire?

Inserted by Petition:

Not Recommended by the Planning Board

Yes: 257

No: 593
